We then proceed along the waterfront to Mission Bay before returning to Westhaven Marina to see the real "City of Sails". You will then be dropped off close to your ship to explore downtown Auckland for the rest of the afternoon – perhaps a visit to the Sky Tower or take the regular ferry over to the quaint village of Devonport.

Tauranga – February 25, 2011

Full Day Trip To Rotorua.

At 9-30am, depart Sun Princess for your tour to Rotorua, one of the original tourist destinations of New Zealand with a long history of welcoming visitors. From the moment you arrive here you will know you are somewhere quite different. A scent of sulphur is in the air from the nearby geo-thermal hotspots with their geysers spouting and mud pools bubbling.

Our first visit will be to Rainbow Springs Nature Reserve and Kiwi Encounter – here you can get close up to the famous kiwi bird at New Zealand's only 'open to view' kiwi hatchery and rearing facility. The park is also home to many rainbow, brown and tiger trout that reside in the spring fed pools. You can feed them and watch them from the underwater viewing area.

Time for lunch in town (own cost) before heading to Te Puia and the Whakarewarewa Thermal Reserve. Here you will begin your guided tour to view the boiling mud pools, steaming geysers and model Maori Village **including a cultural performance**. Back on the coach to Mt Maunganui where you will be dropped off to explore the beautiful surf beach, the hot pools and shops/cafes before boarding your ship which is berthed nearby.

PLEASE NOTE: Entry fees and guided tour costs to Rainbow Springs and Whakarewarewa Thermal Reserve are also included in your shore excursion price.
